Subject: Cannabis Al Integration Crisis - Texas DSHS #690

Hi [Name],

Jesse Niesen here, Marine veteran running cannabis business in Texas (DSHS License #690).

Just survived a \$100K AI integration disaster that revealed a massive opportunity:

The cannabis industry has ZERO AI integration specialists who understand compliance.

Everyone's trying to force consumer AI tools into business operations. Age verification systems crash. Payment processing fails. Compliance automation breaks.

I documented every solution while fixing my business.

Now launching cannabis AI integration consulting for entrepreneurs who need:

- √ 48-hour crisis resolution
- ✓ Cannabis compliance guaranteed
- ✓ Conservative business approach
- ✓ Proven revenue recovery

Are you dealing with AI integration headaches? 15-minute call to share what I learned? Semper Fi, Jesse Niesen **Cannabis Al Integration Specialist** TX DSHS CHP License #690 [Phone] | [Email] P.S. - Turning the biggest frustration into the biggest opportunity. Conservative cannabis entrepreneurs deserve AI solutions that work.
